

CHC33021 - Certificate III in **Individual Support** (Ageing and Disability)

Alffie's CHC33021 - Certificate III in Individual Support (Ageing and Disability) prepares participants for a client facing role in Australia's health and community services industry. Throughout this course, our friendly team will assist participants in developing skills and knowledge that will enhance their ability to work confidently, effectively and safely in a variety of health and community services environments.

This course will assist participants in WFA, DES, TTW and PN in progressing towards sustainable employment by either studying full-time for 37.5 weeks or completing their qualification. This course has been designed to fast track the participant's personal and professional development, providing a clear pathway to employment opportunities meeting compliance requirements. This course is Services Australia approved. Code: 7P089.

This course is delivered online through a combination of written and audiovisual lesson material. The assessments are interactive and simulate real-life working conditions and environments.

To achieve this qualification, the student must complete 160 hours of work placement (40 hours of work placement learning activity and 120 hours of work placement assessment activity), as outlined in the assessment requirements for each unit of competency. **Please note**, Alffie will assist with the work placement process but cannot guarantee practical placement. Participants are required to get both their COVID-19 and flu vaccinations before starting work placement in an aged care facility.
